

USER INTERFACE

1. Startup Page

User is first prompted to sign in with an existing account or register for a new account

The image shows the startup page of a quiz application named "QUIZ WHIZ". The background is a vibrant blue and green gradient with abstract shapes. The logo "QUIZ WHIZ" is prominently displayed in the center. Below the logo, there are two main sections: "SIGN IN" on the left and "REGISTER" on the right. Each section contains a form with input fields for "Email" and "Password", a "Sign In" or "Register" button, and a "Forgot password?" link.

2. Dashboard

Meant to also include account settings and options to view saved questions, quizzes, and flashcards. Users are able to choose between creating their own quiz/flashcards or importing their notes and pdfs to let the AI tool make a quiz/flashcards for

3. Question Bank

The user is able to click one of two buttons to specify whether they'd like to create a quiz or flashcards. Underneath the user may add questions and their answers, with quizzes also being able to accept multiple choice answers. With the creation of a unit name for this question bank, the user is then able to create a quiz or a set of flashcards

| CREATE A NEW QUESTION BANK | | |
|-----------------------------------------------------------------------------|--|-------------------------------------|
| <input checked="" type="radio"/> Quiz Me <input type="radio"/> Flashcard Me | | |
| Question | | <input checked="" type="checkbox"/> |
| Answer | | <input checked="" type="checkbox"/> |
| Question | | <input checked="" type="checkbox"/> |
| Answer | | <input checked="" type="checkbox"/> |
| Question | | <input checked="" type="checkbox"/> |
| Answer | | <input checked="" type="checkbox"/> |
| Question | | <input checked="" type="checkbox"/> |
| Answer | | <input checked="" type="checkbox"/> |
| Question | | <input checked="" type="checkbox"/> |
| Answer | | <input checked="" type="checkbox"/> |
| Question | | <input checked="" type="checkbox"/> |
| Answer | | <input checked="" type="checkbox"/> |

What would you like to name this unit?

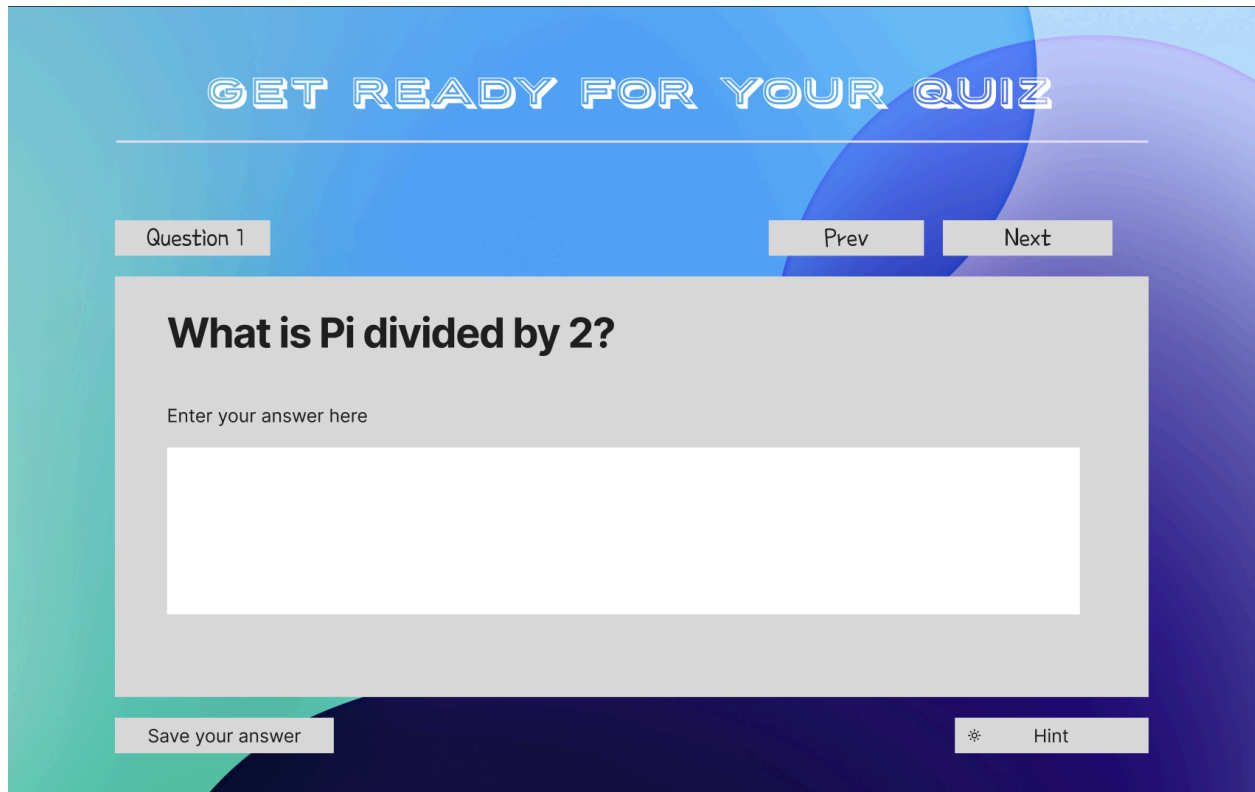

4. AI Import Tool

This page allows the user to drag and drop or browse their computer for a file containing notes based off which the AI extension could create a quiz or set of flashcards by either selecting “Quiz Me” or “Flashcard Me”

5. Quiz View

The following is a general layout of how the questions on a quiz are displayed. With “prev” and “next” buttons allowing traversal among quiz questions, and a hint button on the bottom

A mockup of a quiz interface. At the top, a blue banner with white text reads "GET READY FOR YOUR QUIZ". Below this, a light blue bar contains "Question 1" on the left, and "Prev" and "Next" buttons on the right. The main content area is a light gray box with the question "What is Pi divided by 2?" in bold. Below the question is a text input field with the placeholder "Enter your answer here". At the bottom of the gray box, there are two buttons: "Save your answer" on the left and a button with an asterisk icon and the text "Hint" on the right.

6. Quiz View

The following is a general layout of how any multiple choice questions on a quiz are displayed, also with “prev” and “next” buttons allowing traversal among quiz questions, and a hint button on the bottom

A mockup of a quiz interface. The background is a gradient of blue and purple with abstract shapes. At the top, the text "GET READY FOR YOUR QUIZ" is displayed in a white, stylized font. Below this, there's a horizontal line. On the left, a button labeled "Question 2" is shown. On the right, there are two buttons: "Prev" and "Next". The main content area is a large gray rectangle containing the question "What is Pi?" in bold. Below the question, it says "Choose one or more of the following:" followed by four options: "A)3.14", "B)3.441", "C)A food", and "D)Does not exist". At the bottom left, there's a button labeled "Save your answer". At the bottom right, there's a button labeled with a star icon and the word "Hint".
